ORDER REMANDING TO EXAMINER

This application was received at the Board of Patent Appeals and Interferences (BPAI) on September 22, 2004. Pursuant to MPEP § 1211, the above-identified application is remanded to the examiner for appropriate action with respect to the matter set forth below.

Appellants filed a Reply Brief on September 21, 2004, (Paper No. 19). The paper was received at Technology Center 2600 on September 23, 2004. However by the time the Technology Center received the Paper, the file had been forwarded to the (BPAI) for a decision on the appeal. Therefore, the paper was sent to the BPAI to be matched with the file without the examiner having had an opportunity to consider it. A docketing notice was mailed to appellant on October 18, 2004 by the BPAI, prior to receiving the Reply Brief.
